

# CARNEGIE SHADOWING GROUP

The CILIP Carnegie  
& Kate Greenaway  
Children's Book  
Awards

We are a group of sixteen girls Sherna, Barty, Goggsy, Hannah, Bethan, Georgie, Beth, Fay, Kirsty, Laura, Bethan, Amy, Becky, Bethany and Eluned who enjoy reading and will soon be a group of seven in order to take part in the Carnegie Workshop in June.

We have a range of personalities from bordering on the insane to full-blown crazy. Some of us are even normal! Fancy that!!

Our target is to read the seven shortlisted books in seven weeks. At the end of each week we will write reviews and perform presentations to the rest of the group to compete for a space on the two day workshop. Here we will meet up with students from 11 other schools and perform a presentation of our chosen book to packed local theatre.

So check out our blog on a weekly basis to see what we're up to on:
