

Operation Christmas Child

A BIG thankyou to all those staff, pupils and parents that helped put together the 126 shoe boxes our school sent to Operation Christmas Child this year. Our boxes were going to be making their way to Eastern Europe and will be enjoyed by children that would, otherwise not have received a Christmas gift at all. I have been helping with Operation Christmas Child for a number of years now and every year we go along to help, it makes me appreciate how fortunate we are to live in this country and how high our expectations are, can you imagine giving our children a shoe box for Christmas?!!!! Most of the children that receive the boxes will only receive one in their lifetime so for many, it is the only gift they will ever have. I know it takes some time, effort and expense to put a box together well but it makes a huge difference to one child in the world and will be appreciated for years to come. Happy New Year to you all, thankyou again and I will look forward next year to beating the 126 boxes collected this year!!!!
